WORKSHOP SCHEDULE

PREPARING FOR THE ACADEMIC INTERVIEW Co-sponsored with the Career Center
Wednesday, April 9 from 3:30 PM to 5 PM
Academic searches involve different interview formats, including screening interviews, campus interviews, teaching demonstrations and more. Learn strategies to prepare for interviews and practice techniques so you can give your best performance in any type of academic interview.

FROM CV TO RESUME Co-sponsored with the Career Center
Tuesday, April 22 from 3 PM to 4 PM
Communicate the skills you develop in graduate school into a broader job search market. Bring a copy of your CV to this workshop and be prepared to transform it into a resume to increase your marketability.

SUCCESS IS COMPLEX WITH GENE BOONE Co-sponsored with AGS International Committee
Wednesday, April 23 from 12 PM to 1 PM
In today’s global, competitive climate, you have to stand out from the crowd to get ahead. As women and international students, you may be knowledgeable, competent, and hard-working but you also need to do things that add organizational value—Make A Difference. It is essential you get your leaders to talk about you.

THE RESEARCH ELEVATOR PITCH
Thursday, April 24 from 12 PM to 1 PM
An elevator pitch is a term used to describe a brief talk that outlines a person or an idea in the short period of time it takes to ride on an elevator. Develop your own elevator talk to promote yourself and your research during any networking opportunity.

COMPUTER PROGRAMMING FOR DUMMIES Co-sponsored with the Career Center
Wednesday, May 28 from 2:30 PM to 4:30 PM
Interested in learning computer programming but have no experience? Daunted by the prospect of needing programming skills to be competitive in today’s job market? Explore the basics of programming in this workshop so you can feel confident in your abilities to learn several programming languages.
